

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

To: Tax Collectors and License Plate Agents	
Subject: Specialty License Plate Redesign	
Advisory Date: 02/20/12	Implementation Date: Immediately
Advisory Number: R12-02	

At the request of the organization, the **US Olympic** specialty license plate will be redesigned, and we need your help using the existing inventory before the new license plate becomes available. During this redesign, the name at the bottom of the license plate will change to **GO TEAM USA**.

If an agency in your county needs this license plate type before the new plate is available, please contact other agencies in your county and transfer plates as necessary. If none is available, please contact Inventory Control at (850) 617-2809. Inventory Control will fill orders from Central Supply or transfer from county-to-county. We will approve and manufacture personalized license plate orders as usual.

Thank you for helping us reduce the license plate inventory that will become obsolete. If you have any questions or need additional information, please contact your Field Support Center Representative.
